Sponsor a choir stall

As the refurbishment of All Saints Church comes to completion there is an opportunity to sponsor the new stalls from which the choir will sing.

The new stalls have been specifically designed to fit the rather unusual space in which they need to work.

We have two opportunities for sponsorship:

Individual chorister spaces for £1000 (there are 40 available) or

Five-seater choir stalls for £5000 (there are 8 available)

All sponsors will be recorded in a book of acknowledgment which will be on permanent display in the church.

A computer generated image of the new stalls

All Saints has a long tradition of very fine choral music supporting two services a week to a Cathedral repertoire. The choir work hard, practising three times a week, under the musical direction of Simon Toyne (who is also Director of Music at Tiffin Boys School) and supported at the organ by the expertise of Stephen Westrop (who is also Assistant Chorus Master at the Royal Opera House).

Many alumni of the choir have moved on to choral scholarships at Oxbridge colleges and elsewhere and several have gone further to establish distinguished musical careers as singers, conductors and composers.

A plan of the new stalls adapting to the particular space they are required to fit and showing the view in elevation

Throughout this restoration of the church we have taken care to respect the important musical tradition. The very first phase of work in 2013 involved a complete refurbishment of the choir vestry to a high standard, and while work has been going on during 2014 we have taken the opportunity to have the wonderful Frobenius organ thoroughly cleaned and serviced. The new choir stalls will represent the final phase in the renovation of the musical elements of the church.

So whether you are a current member of the choir, an alumnus wanting to remember your time with us in a concrete fashion, or simply a music lover wanting to support the continuation of a valued tradition, now is your opportunity. For full details (including details of how to Gift Aid your sponsorship and make it worth even more) please contact:
